All rabies vaccinations will be good for one year unless a rabies certificate is provided as proof of a current rabies vaccination, in which case a three-year vaccine may be given. Rabies tags cannot be accepted as proof of a current rabies vaccination.

All cats must be contained in carriers and all dogs must be on leash.

FREE distemper vaccines will be available while supplies last thanks to Petco Love!

**Dog Licenses:**

**According to Wisconsin State Statutes**, all dogs MUST be licensed and have a current rabies shot. Proof of immunization by a veterinarian must be presented to the treasurer at the time of obtaining a license. Dog licenses will not be issued without such proof. A new license is required for each dog every year by April 1st.
